

# CERTIFICATE

This is to certify that

## JENOPTIK Optical Systems GmbH

Göschwitzer Straße 25  
07745 Jena  
Germany

**MORE LIGHT**

with the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System**.

Scope:

Development, production and distribution of hardware and software systems and components of optics, laser technology, digital image processing, optoelectronic sensor technology and semiconductor layer structures as well as laser bars and single emitters. Development, production and distribution of optical components made of plastic, opto-mechanical and optoelectronic assemblies, surface technology, tools and molds as well as 3D laser systems for cutting, welding and perforating of plastics, metals and sensitive materials.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

## ISO 9001 : 2015
